

4-H Robotics Presents:

SNOW-TASTROPHIE

A ROBOTICS CAMP FOR THE NOT SO FAINT OF HEART

4-H youth ages 5-8 years old are invited to help Dash and Dot save the day as a young inventor's experiments seem to have gone very wrong! It's snowing, snowing, snowing everywhere! Youth will need to bring their problem solving skills as they try to figure out what went wrong in the inventor's laboratory and help program robots to clean up this snowy mess.
